

JUNIOR MATERIAL PLANNING SPECIALIST

The position is temporary until the end of the year.

"I'm on the lookout for a temporary addition to our awesome crew. If you're ready to jump into a dynamic environment of materials planning, if you're up for the challenge and ready to dive into the numbers, I want to hear from you. I can ensure you will learn new things on the go, will meet passionate people while having opportunity to show your skills and be heard when navigating through complex environment. You never know what success we can brew in Carlsberg!" - Valdas, Material Planning team lead Baltics.

What you'll be doing

- Running various kinds of daily/weekly reports,
- Preparation and submission of product or material orders to the suppliers,
- Management of order deliveries,
- Clarification of daily issues which occur with product/material deliveries,
- Support with project-related activities of data collection and data update.

What we're looking for

- Open mind attitude and wish to learn new things,
- Capability to organize your day in an effective manner and ability to deal with high info flows and constantly changing environment,
- High level of personal responsibility,
- Good analytical skills,
- Good communication skills,
- You are confident to work both in Estonian and English.

What you can expect

We offer you an interesting and challenging position in a cross-Baltic team, professional and supportive people to work with and a possibility to develop yourself along with your career. In addition, we offer an attractive benefits package that includes, for example, different compensations, events, gifts and winter vacation.
